Dear [REDACTED]

Congratulations! You are approved to enter into a trial period plan under the Home Affordable Modification Program. This is the first step toward qualifying for more affordable mortgage payments. Please read this letter so that you understand all the steps you need to take to modify your mortgage payments.

What you need to do...

To accept this offer, you must make new monthly "trial period payments" in place of your normal monthly mortgage payment. Send in your monthly trial period payments—instead of your normal monthly mortgage payment—as follows:

1st payment:	\$1,186.33 by 05/01/2010
2nd payment:	\$1,186.33 by 06/01/2010
3rd payment:	\$1,186.33 by 07/01/2010

Payments are due by 1st of every month!

If you do not make each trial period payment in the month in which it is due, your loan will not be modified under the Home Affordable Modification Program.

In addition to making your trial period payments on time, you must send copies of all the documents that are noted on the attached checklist no later than **MAY 07, 2010** so that we can verify the financial information you already provided to us (use the prepaid FedEx return envelope provided for your convenience or if you prefer to fax your documents, please follow the instructions on the Fax Cover Sheet located in the back of this package). If the documents are not received by **MAY 07, 2010**, this offer will end and your loan will not be modified.

After all trial period payments are timely made and you have submitted all the required documents, your mortgage would then be permanently modified if you qualify. (Your existing loan and loan requirements remain in effect and unchanged during the trial period.) If you have any questions or if you cannot afford the trial period payments shown above but want to remain in your home, or if you have decided to leave your home but still want to avoid foreclosure, please call us at [REDACTED] as we may be able to help you.

Sincerely,

CHASE HOME FINANCE LLC
